

REMARKS

Reconsideration of the present application in view of the above amendments and the following remarks is respectfully requested. Claims 8, 12, 13, and 16-43 were pending, of which claims 16-42 were withdrawn from consideration. Claims 16-42 have been canceled without prejudice to future prosecution in a related application. Accordingly, claims 8, 12, 13, and 43 are pending.

Double Patenting

Claims 8, 12, 13 and 43 stand provisionally rejected on the ground of nonstatutory obviousness-type double patenting as allegedly unpatentable over claims 1, 2 and 5-14 of co-pending Application No. 10/803,179 and over claims 8, 12, 13 and 43 of co-pending Application No. 11/108,164.

Without acquiescing to this double patenting rejection and to facilitate allowance, Applicants submit, with this response, a terminal disclaimer to obviate this rejection over the two cited reference patent applications. Accordingly, Applicants respectfully request that this rejection be withdrawn.

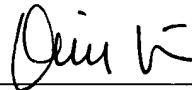

Application No. 10/826,972  
Reply to Final Office Action dated June 26, 2006

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Applicants believe that all of the claims remaining in the application are now allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
